

Patient Portal Instructions
Northwestern Michigan Dermatology, P.C.
Phone (231) 935-8717

Type in the URL listed below into a **Mozilla Firefox or Google Chrome** internet browser and press *Enter*. DO NOT type www or https in front of the URL. If you do not currently have Mozilla or Google Chrome on your computer, you can download it by going to google.com and searching Mozilla Firefox or Google Chrome and download it for free. Using Internet Explorer/Edge or other browsers will result in problems viewing your patient portal.

URL: nwmichigan.ema.md

Username: Email address on File

YOUR PRIVACY IS IMPORTANT TO US!

THIS PORTAL PROVIDES ACCESS TO YOUR PERSONAL MEDICAL INFORMATION. UPON YOUR FIRST LOGIN, PLEASE CHANGE YOUR PASSWORD BY CLICKING ON “CHANGE PASSWORD” IN THE UPPER RIGHT OF THE PORTAL’S HOME SCREEN.

If you have any problems with your username or password, please call our office at **231-935-8717** for assistance.

The **Contact Information** and **Insurance** tabs allows you to review and update the information.

The **Pharmacy** tab allows you to enter your pharmacy information so that NWMD can electronically send your prescriptions.

The **Medications** tab allows you to enter all of your current medications. (Most over-the-counter medications should populate as well)

The **Allergies** tab allows you to enter any known drug allergies

The **Past Medical History** tab allows you to enter your medical history and surgical history.

The **Skin Disease History** tab allows you to enter any previous skin problems.

The **Social History** tab allows you to document drug, alcohol and smoking history.

The **Problem List** tab allows you to view any condition your doctor has diagnosed you as having and the date you were given that diagnosis. You are not able to change any information in this tab.

The **Tests and Results** tab allows you to view any test or lab that was performed or ordered for you. You can also see the results of those tests or labs if they have come back. You are not able to change any information in this tab.
